

**Accidents can happen  
on the way to work..**

**It's a good thing  
that members  
are protected.**

Your journey to work is part of the job.

After all, you'd never make the trip to the workplace unless you were employed there in the first place.

Did you know that you're not covered for the purposes of workers' compensation during travel to and from the workplace?

Unless you're a union member, that is.

Since 2007, Staff Association and CPSU members have received free journey cover\*.

If you have an accident and are seriously injured on your journey to or from the workplace and don't have enough sick leave credits to cover time off work, income protection insurance kicks in.

This income safety net is only available to Staff Association members.

Make a smart choice and protect your travel time by joining today.
