Complete the Covid progress survey

As we continue to adapt to changing circumstances due to COVID-19, the Staff Association has launched a quick survey to measure employee concern and sentiment at CSIRO.

We want to know your views on the impact of coronavirus across a range of issues including remote working, resource provision, access to leave provisions, staff wellbeing, workloads, communication and collaboration.

The survey results will help the Staff Association to better represent your views as part of our continuing engagement with CSIRO Executive regarding the organisation's Covid response.

Complete the survey at www.surveymonkey.com/r/CSIROstaffCovidProgress

The survey should take no longer than ten minutes and individual responses will remain confidential. Survey closes 5pm (AEST) Friday 31 July 2020.
