

**Union members
won equal pay
for equal work
in 1972**

And there's more to do.

Australia's gender pay gap is 14%,
and we're still working together to improve
gender equity at work by campaigning for
flexible work arrangements,
paid domestic violence leave,
and secure jobs.

Join your union

**to keep up the fight for women's rights at work and be part of
*Generation Equality: Realizing women's rights for an equal future***
