

OUR CAUSE

To protect and progress the interests of our members in CSIRO and in society

We do this as the democratic voice for staff

We advocate for CSIRO and science

We provide the means to promote a community of staff in CSIRO so that we can assist members to enforce their rights

CSIRO Staff Association (CSIRO Section of CPSU, PSU Group)

Operating Report for the year ended 30 June 2021

The committee of management presents its operating report on the reporting unit for the year ended 30 June 2021.

About the CSIRO Staff Association

The CSIRO Staff Association (the Association) is a Section of the Community and Public Sector Union (CPSU, PSU Group). The Association represents the professional and industrial interests of members employed in the Commonwealth Scientific and Industrial Research Organisation (CSIRO) and the National Measurement Institute (NMI). We also represent associate members of the Association who have been employed or associated with these organisations or are students currently in these organisations.

The Association aims to protect and progress the interests of members by bringing them together collectively and democratically. In doing so, the Association seeks to:

- Assist members in enforcing their rights at work, including the rights to:
 - fair and equitable treatment at work;
 - proper recognition and remuneration for merit;
 - reasonable conditions and a balanced working life; and
 - a workplace which is healthy, safe and environmentally sustainable.
- Represent the views of members to their Organisation's management.
- Make claims or representations on behalf of members to appropriate authorities.
- Provide advocacy for the membership to Government and other political or policy bodies in the interests of the CSIRO, NMI and their staff.
- Cooperate with other parts of the CPSU, other unions, the ACTU and other organisations to progress matters of common interest.

Review of principal activities, the results of those activities and any significant changes in the nature of those activities during the year

In 2020-21, the Association Council met on 7 occasions: none in face, all by video conference. The Association Executive held fortnightly discussions by video conference. Minutes of meetings record the motions and actions of the Council.

In 2020-21, the Association Council implemented several key activities and campaigns, driven by input and participation of Association delegates and members:

- **Strategic and operational planning**: the Council reviewed its strategic and operational plans in February 2021; identifying priority campaigns and objectives and determining key deliverables and accountabilities.
- **Financial sustainability**: the Council successfully maintained measures to achieve financial sustainability in 2020-2021. An improved operating profit for the year arising from a higher than budgeted investment income together with lower than budgeted staffing related expenditure.
- Governance and training: the Association conducted elections and facilitated training for delegates and councillors.
- Enterprise bargaining: Association members and CSIRO staff successfully defeated CSIRO Executive's
 proposal for a determination to avoid bargaining for a new Enterprise Agreement (EA). In bargaining,
 Association representatives surveyed and regularly consulted with members, undertook negotiations, and
 achieved member support for a new EA to be delivered on time, following approval on 15/11/20 through
 Australian Public Service Commission and Fair Work Commission.
- Securing jobs and enforcing working conditions: the Association continues to support jobs and conditions of staff during restructures and reviews within multiple CSIRO business units, including Data61, Agriculture and Food, Health, Safety and Environment and Manufacturing. The Association also continues to support and represent CSIRO staff with compulsory relocations. The 2021 campaign, *Protect Science with CSIRO Jobs*, is an ongoing campaign with a focus on Science Integrity and Climate to protect scientific reputation linked to the CSIRO brand and secure permanent employment in CSIRO and reduced outsourced positions.

- Coronavirus pandemic: the Association directed resources to ensure continued support for members from the commencement of the coronavirus pandemic from March 2020 to date, including negotiating and maintaining essential health and safety measures, securing jobs, and working from home arrangement resources, and ensuring leave options such as paid pandemic and vaccination leave are provided for all staff. The Association regularly consulted with members and management and provided representations to CSIRO management through the Association's COVID-19 working group of delegates. Weekly meetings with CSIRO management to review WH&S arrangements relating to COVID as required in CSIRO worksites is ongoing. Together with the Staff Association COVID Delegate working group guides and helps enforce best practice WH&S practices in CSIRO workplaces through Health & Safety Representatives.
- Advocating for CSIRO: Has been a continued focus for the Association in 2020-2021, lobbying for funding and support for CSIRO. This included internal and external campaigning for funding the vital work of CSIRO, through the coronavirus pandemic and in response to national challenges and disasters, including bushfires and floods.
 - The May 2021 Budget saw potential funding announcements from the federal government to involve CSIRO in multiple initiatives namely, National Artificial Intelligence Centre managed by Data 61, funding for the construction and build for the Square Kilometre Array, a new agriculture and biosecurity package, energy technology and the Australian Climate Service.
- Average Staffing Level (ASL) campaign: the Association previously strongly advocated for the abolition of the ASL cap, which had resulted in more work being outsourced, undermining job security, science and research at CSIRO. CSIRO was and still is significantly under its cap by almost 300 staff. At the Consultative Council meeting on 16th August 2021, the Association representatives sought a formal position from CSIRO on current staffing numbers and given budget announcements and an earlier informal announcement from CSIRO that ASL caps no longer applied to their Business Units. The Association continues to seek specific detail on how and when more ongoing employment positions will be forthcoming. The Association has sought meetings on strategic workforce planning now that ASL has also been stated as not a viable or sustainable way forward for agencies by the federal government's Dept of Finance.
- Organising and member support: the Association organises in order to collectively advance the interests
 of members. The Association's activities continued to be driven by delegates and members, with good
 engagement at the workplace level. Member engagement through the coronavirus pandemic was
 predominantly through video conferencing, as the majority of members continue to still be working from
 home.
- **Communication**: the Association completed an internal review into communication strategies and implemented activities to improve and modernise our communication strategies and approaches.
- **More details** on the range and results of Association's activities including activities not outlined above can be found at http://www.csirostaff.org.au

Significant changes in financial affairs

The Association returned an overall operating profit for the year of \$85,845. This result compared to the budgeted profit for the year of \$5,669. Total income was \$37,067 more than budgeted whilst total expenditure was \$43,109 less than budgeted. The variance in total income arose from higher than budgeted investment income whilst the variance in total expenditure predominantly arose from lower than budgeted staffing related expenditure and other operating costs.

The finances of the Association are managed by the Association Council in accordance with Part 8 of the Rules of the CPSU (PSU Group). The finances of the CPSU (PSU Group), other than the CSIRO Section, are governed by the CPSU Executive Committee on behalf of the CPSU Governing Council. The CSIRO Section works with the CPSU (PSU Group) to ensure coordinated financial accountability. More information on CPSU (PSU Group) finance and governance can be found at http://www.cpsu.org.au/about-cpsu/governance

Right of members to resign

In accordance with Rule 5.3 of the CPSU (PSU Group), members have the right to resign at any time by providing a written notice of resignation to the Association Secretary. At least two weeks' notice is required except where the member ceases to be eligible to be a member of the Association. The full rules of the CPSU are available at https://www.fwc.gov.au/registered-organisations/find-registered-organisations/cpsu-the-community-and-public-sector-union

Officers or members who are superannuation fund trustee(s) (include position details) or director of a company that is a superannuation fund trustee where being a member or officer of a registered organisation is a criterion for them holding such position

No officer or member of the reporting unit holds a position as a trustee or director of a superannuation entity or exempt public sector superannuation scheme where the criterion for holding such position is that they are an officer or member of a registered organisation.

Number of members

There were 2021 members of the Association as at 30 June 2021.

Number of employees

There were 10 employees (8.43 FTE) of the Association as at 30 June 2021. This includes the Association Secretary position (1.0 FTE), the only salaried position on the Association Council.

Names of committee of management members and period positions held during the financial year

The Committee of Management is the Association Council. The Council is an elected body with an Executive and Councillors representing the Sub-Sections. It has responsibility for governance of the Association within the CPSU. The Association has two representatives on the CPSU Governing Council, the Association President and the Association Secretary. The Council also develops Association policy at a national level, contributes to CPSU policy, determines national campaigns and activities and represents issues affecting the membership across all parts of the Association. The Executive, comprising the Section President, two Section Deputy Presidents, Section Treasurer and Section Secretary oversee the operations of the Association.

The Association Council Officers for 2020-2021 were:

Executives

Section President: Sonia Grocke

Section Deputy President: Mark Green (term finished 31/12/2020)

Stephen Charles (elected from 01/01/2021)

Section Deputy President: Melissa Skidmore Section Treasurer: Scott Wilkinson

Section Secretary: Sam Popovski (resigned 07/05/2021) Susan Tonks (acting from 08/05/2021)

Sub-Section Councillors

ACT Councillor: Thomas Harwood

NA (NT and Nth QLD) Councillor: Vacant (01/07/2020 - 31/12/2020)

Tracey Rehbein (elected from 01/01/2021) Michael Collins (term finished 31/12/2020)

NSW Councillor: Michael Collins (term finished 31/1 Vacant (from 01/01/2021)

SA Councillor: Everard Edwards

Sth QLD Councillor: Anna Campbell
TAS Councillor: Vacant (01/07/2020 – 31/12/2020)

Mark Green (elected from 01/01/2021 and retired on 01/04/2021)

Vacant (from 02/04/2021)

VIC Councillor: Lynda Wright (term finished 31/12/2020)

Nicholas Lupton (elected from 01/01/2021)

WA Councillor: Stephen Charles (term finished 31/12/2020)

James Hannah (elected from 01/01/2021)

This report has been prepared in accordance with the requirements of the Fair Work Registered Organisations Act.

Signature of designated officer:

Name and title of designated officer: Ms Susan Tonks, Association Acting Secretary.

Date: 5th November 2021.

COMMITTEE OF MANAGEMENT CERTIFICATE

On the 5th November 2021 the Committee of Management of the CSIRO Staff Association passed the following resolution in relation to the general purpose financial report **(GPFR)** for the financial year ended 30 June 2021:

The Committee of Management declares that in its opinion:

- a) the financial statements and notes comply with the Australian Accounting Standards;
- b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act);
- c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- e) during the financial year to which the GPFR relates and since the end of that year:
 - i. meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - ii. the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - iii. the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - iv. where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
 - v. where information has been sought in any request by a member of the reporting unit or the Commissioner duly made under section 272 of the RO Act, that information has been provided to the member or the Commissioner; and
 - vi. where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the committee of management.

SONIA GROCKE Section President

SUSAN TONKS
Acting Section Secretary

Dated this 5th day of November 2021.

REPORT REQUIRED UNDER SUBSECTION 255(2A) FOR THE YEAR ENDED 30 JUNE 2021

The Committee of Management present the expenditure report as required under subsection 255(2A) on the Reporting Unit for the year ended 30 June 2021

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CSIRO STAFF ASSOCIATION

Opinion

I have audited the financial report of CSIRO Staff Association ('the Reporting Unit'), which comprises the statement of financial position as at 30 June 2021, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, the Committee of Management certification and the subsection 255(2A) report and the Officer Declaration Statement.

In my opinion the accompanying financial report of the Reporting Unit presents fairly, in all material respects, the Reporting Unit's financial position as at 30 June 2021 and its financial performance and its cash flows for the year then ended in accordance with:

- (i) Australian Accounting Standards; and
- (ii) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

I declare that Committee of Management's use of the going concern basis in the preparation of the financial statements of the Reporting Unit is appropriate.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Reporting Unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of Management is responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CSIRO STAFF ASSOCIATION (CONTINUED)

Responsibilities of the Committee of Management for the Financial Report

The Committee of Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Reporting Unit's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee of Management either intends to liquidate the Reporting Unit or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Reporting Unit's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the Reporting Unit's audit. I remain solely responsible for my audit opinion.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CSIRO STAFF ASSOCIATION (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Report (Continued)

I communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I declare that I am an auditor registered under the RO Act.

Report on Other Legal and Regulatory Requirements

Mulean Below Bentz Herelt pts 1206)

In accordance with the requirements of section 257(7) of the RO Act, I am required to describe any deficiency, failure or shortcoming in respect of the matters referred to in section 252 and 257(2) of the RO Act.

I did not identify any matters to report in this regard.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Board (AASB) that apply for the reporting period, and the Fair Work (Registered Organisations) Act 2009. For the purpose of preparing the general purpose financial statements the CSIRO Staff Association is a not-for-profit entity.

The following is a summary of the significant accounting policies adopted by the entity in the preparation of the financial report.

Basis of Preparation

Reporting Basis and Conventions

The financial report, except for the cash flow information, has been prepared on an accruals basis using historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

Accounting Policies

(a) Taxation

The Association is exempt from income tax under section 50.1 of the Income Tax Assessment Act 1997 however, still has obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

(b) Plant & Equipment

Each class of plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Plant and Equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Depreciation

The depreciable amount of all fixed assets including property, but excluding artworks, are depreciated on a straight line or diminishing value basis over their useful lives to the entity commencing from the time the asset is held ready for use.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

(b) Plant & Equipment continued

The depreciation rates used for each class of depreciable assets are: Furniture & Equipment 20% - 40%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(c) Intangibles

Intangible assets with finite lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful life. The estimated useful lives and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

The useful life of Association's intangible assets is:

Website 20%

Derecognition

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in profit and loss when the asset is derecognised.

(d) Financial Assets

Contract assets and receivables

A contract asset is recognised when the Association's right to consideration in exchange goods or services that has transferred to the customer when that right is conditioned on the Association's future performance or some other condition.

A receivable is recognised if an amount of consideration that is unconditional is due from the customer (i.e., only the passage of time is required before payment of the consideration is due).

Contract assets and receivables are subject to impairment assessment. Refer to accounting policies on impairment of financial assets below.

Initial recognition and measurement

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (OCI), or fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Association's business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the Association initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

(d) Financial Assets continued

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest' (SPPI) on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Association business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Association commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in five categories:

- (Other) financial assets at amortised cost
- (Other) financial assets at fair value through other comprehensive income
- Investments in equity instruments designated at fair value through other comprehensive income
- (Other) financial assets at fair value through profit or loss
- · (Other) financial assets designated at fair value through profit or loss

Financial assets at amortised cost

The Association measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired. The Association financial assets at amortised cost includes trade receivables and loans to related parties.

Financial assets at fair value through other comprehensive income

The Association measures debt instruments at fair value through OCI if both of the following conditions are met:

- The financial asset is held within a business model with the objective of both holding to collect contractual cash flows and selling and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

For debt instruments at fair value through OCI, interest income, foreign exchange revaluation and impairment losses or reversals are recognised in profit or loss and computed in the same manner as for financial assets measured at amortised cost.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

(d) Financial Assets continued

The remaining fair value changes are recognised in OCI. Upon derecognition, the cumulative fair value change recognised in OCI is recycled to profit or loss.

The Association debt instruments at fair value through OCI includes investments in quoted debt instruments included under other non-current financial assets.

Investments in equity instruments designated at fair value through other comprehensive income

Upon initial recognition, the Association can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under AASB132 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis.

Gains and losses on these financial assets are never recycled to profit or loss. Dividends are recognised as other income in profit or loss when the right of payment has been established, except when the Association benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in OCI. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

The Association elected to classify irrevocably its listed and non-listed equity investments under this category.

Financial assets at fair value through profit or loss (including designated)

Financial assets at fair value through profit or loss include financial assets held for trading, financial assets designated upon initial recognition at fair value through profit or loss, or financial assets mandatorily required to be measured at fair value. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Derivatives, including separated embedded derivatives, are also classified as held for trading unless they are designated as effective hedging instruments. Financial assets with cash flows that are not solely payments of principal and interest are classified and measured at fair value through profit or loss, irrespective of the business model. Notwithstanding the criteria for debt instruments to be classified at amortised cost or at fair value through OCI, as described above, debt instruments may be designated at fair value through profit or loss on initial recognition if doing so eliminates, or significantly reduces, an accounting mismatch.

Financial assets at fair value through profit or loss are carried in the statement of financial position at fair value with net changes in fair value recognised in profit or loss.

Derecognition

A financial asset is derecognised when:

- The rights to receive cash flows from the asset have expired or
- The Association has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - a) the Association has transferred substantially all the risks and rewards of the asset,
 or
 - b) the Association has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

(d) Financial Assets continued

When the Association has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Association continues to recognise the transferred asset to the extent of its continuing involvement together with associated liability.

Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(e) Impairment of Assets

At each reporting date, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the profit and loss.

(f) Employee Benefits

Provision is made for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

The provision for long service leave represents only employee on-costs related to benefits, with the liability for employee benefits being met by the CPSU - PSU Group.

Employees are entitled to long service leave from 1 July 2002 at the rate of 7.2 days per year of service, pro-rata after 5 years service with the Section. Previously up to 30 June 2002, the entitlement was 10.8705 days per year of service, pro-rata after 3 years service with the Section. The movement in the provision for long service leave during the year is paid to the CPSU - PSU Group and is expensed in these accounts.

Measurement of short-term and long-term employee benefits

Short-term employee benefits are those benefits that are expected to be settled wholly within 12 months, and are measured at their nominal values using the remuneration rate expected to apply at the time of settlement. They include wages and salaries, annual leave and long service leave that are expected to be settled wholly within 12 months.

Long-term employee benefits are those benefits that are not expected to be settled wholly within 12 months, and are measured at the present value of the estimated future cash outflows to be made by the entity in respect to services provided by employees up to the reporting date. They include annual leave and long service leave not expected to be wholly settled within 12 months.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

(f) Employee Benefits continued

The present value of long-term employee benefits is calculated in accordance with AASB 119: Employee Benefits. Long-term employee benefits are measured at the present value of expected future payments to be made in respect of services provided by employees up to the reporting date. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using interest rates on national Government guaranteed securities with terms to maturity that match, as closely as possible, the estimate future cash outflows.

Classification of employee benefits as current and non-current liabilities

Employee benefit provisions are reported as current liabilities where the entity does not have an unconditional right to defer settlement for at least 12 months. Employee benefit provisions that are reported as non-current liabilities include long term benefits that do not qualify for recognition as a current liability, and are measured at present value.

Superannuation

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

(g) Revenue

The Association enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

Revenue from contracts with customers

Where the Association has a contract with a customer, the Association recognises revenue when or as it transfers control of goods or services to the customer. The Association accounts for an arrangement as a contract with a customer if the following criteria are met:

- the arrangement is enforceable; and
- the arrangement contains promises (that are also known as performance obligations) to transfer goods or services to the customer (or to other parties on behalf of the customer) that are sufficiently specific so that it can be determined when the performance obligation has been satisfied.

Membership subscriptions

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the Association.

If there is only one distinct membership service promised in the arrangement, the Association recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the Association's promise to stand ready to provide assistance and support to the member as required.

If there is more than one distinct good or service promised in the membership subscription, the Association allocates the transaction price to each performance obligation based on the relative standalone selling prices of each promised good or service. In performing this allocation, standalone selling prices are estimated if there is no observable evidence of the price that the Association charges for that good or service in a standalone sale.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

(g) Revenue continued

When a performance obligation is satisfied, which is either when the customer obtains control of the good (for example, books or clothing) or as the service transfers to the customer (for example, member services or training course), the Association recognises revenue at the amount of the transaction price that was allocated to that performance obligation.

For member subscriptions paid annually in advance, the Association has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from the Association at their standalone selling price, the Association accounts for those sales as a separate contract with a customer.

Income of the association as a Not-for-Profit Entity

Consideration is received by the association to enable the entity to further its objectives. The Association recognises each of these amounts of consideration as income when the consideration is received (which is when the association obtains control of the cash) because, based on the rights and obligations in each arrangement:

- the arrangements do not meet the criteria to be contracts with customers because either the arrangement is unenforceable or lacks sufficiently specific promises to transfer goods or services to the customer; and
- the association's recognition of the cash contribution does not give to any related liabilities.

Gains from sale of assets

An item of property, plant and equipment is derecognised upon disposal (which is at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

Interest income

Interest revenue is recognised on an accrual basis using the effective interest method.

(h) Affiliation fees and levies

Affiliation fees and levies are recognised on an accruals basis and recorded as an expense in the year to which it relates.

(i) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

(i) Fair Value Measurement

The Association measures financial instruments, such as, financial asset as at fair value through the profit and loss, available for sale financial assets, and non-financial assets such as land and buildings and investment properties, at fair value at each balance sheet date. Also, fair values of financial instruments measured at amortised cost are disclosed in Note 22.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- · In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Association. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Association uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- · Level 1—Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2—Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3—Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the entity determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as land and buildings and investment properties. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. For the purpose of fair value disclosures, the entity has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES continued

(k) Critical Accounting Estimates and Judgments

The Committee of Management evaluate estimates and judgments incorporated into the financial statement based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

Key estimates — Impairment

The Association assesses impairment at each reporting date by evaluating conditions specific to the Association that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

Key Judgments - Available-for-sale investments

The Association maintains a portfolio of securities with a carrying amount of \$1,260,374 at the end of the reporting period. Certain individual investments have declined in value since the initial acquisition of those investment. The Committee of Management do not believe this decline constitutes a significant or prolonged decline below cost at this stage and hence no impairment has been recognised. Should share values decline to a level which is in excess of 30% below cost or should prices remain at levels below cost for a period in excess of 12 months, the Committee of Management have determined that such investments will be considered impaired in the future.

(I) Future Australian Accounting Standards Accounting Standards

AASB 2020-1 – Amendments to Australian Accounting Standards – Classification of Liabilities as Current or Non-current

This Standard amends AASB 101 to clarify requirements for the presentation of liabilities in the statement of financial position as current or non-current. For example, the amendments clarify that a liability is classified as non-current if an entity has the right at the end of the reporting period to defer settlement of the liability for at least 12 months after the reporting period. This Standard applies to annual reporting periods beginning on or after 1 January 2022. Earlier application is permitted.

The Association has assessed that there will be not material impact on the financial statements upon adoption of AASB 2020-1.

NOTE 2: SECTION 272 FAIR WORK (REGISTERED ORGANISATIONS) ACT 2009

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of sub-sections (1) to (3) of section 272 which reads as follows:

Information to be provided to members or Commissioner:

- (1) A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1)

Receipts from CPSU – PSU Group*	4,278	4,569
Payments to CPSU - PSU Group	(1,470,726)	(1,286,909)

^{*} CPSU - PSU Group paid an invoice on the 30 June 2020. However, it only appeared on the Association's bank statement on 01 July 2020.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 18: GOING CONCERN

The financial statements are prepared on the basis that the Association will continue as a going concern and that assets including property plant and equipment and liabilities would be realised in the normal course of business at their recorded values as at 30 June 2021.

The Association's ability to continue as a going concern is not reliant on the financial support of any other entity.

The Association has not agreed to provide any other entity with financial support to ensure they can continue on a going concern basis.

NOTE 19: BUSINESS COMBINATIONS

No assets or liabilities were acquired during the year as part of a business combination.

The Association did not acquire any assets or liabilities during the financial year as a result of:

- (a) an amalgamation under Part 2 of Chapter 3, of the RO Act in which the organisation (of which the reporting unit form part) was the amalgamated organisation; or
- (b) a restructure of the branches of the organisation; or
- (c) a determination by the General Manager under subsection 245(1) of the RO Act of an alternative reporting structure for the organisation; or
- (d) a revocation by the General Manager under subsection 249(1) of the RO Act of a certificate issued to an organisation under subsection 245(1).

NOTE 20: SPECIAL FUNDS

There has been no fund or account operated and no monies invested in any assets in respect of compulsory levies raised by the reporting unit or voluntary contributions collected from members of the reporting unit.

There has been no fund or account operated (other than the general fund), the operation of which is required by the rules of the organisation. There have been no transfers to or withdrawals to a fund, account or controlled entity, where any of these are kept for a specific purpose(s) by the reporting unit.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 21: FINANCIAL INSTRUMENTS

(a) Terms, conditions and accounting policies

The Section's terms, conditions and accounting policies of financial instruments are those adopted by businesses in Australia generally.

(b) Interest rate risk

The Section's exposure to interest rate risks and the effective interest rates of financial assets and financial liabilities, both recognised and unrecognised are as follows:

	Total Carry	ing Value	Weighted Interest	_	Non In Bear		Floating Interest Rate		Fixed In	
Economic Entity	2021	2020	2021	2020	2021	2020	2021	2020	2021	2020

Total Financial	124,123	238,008			124,123	238,008				
Liabilities	,	,			·					

(c) Market Risk

The Section's sensitivity to market risk is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates, changes in price indexes such as the Australian Stock Exchange or changes in returns on managed fund investments. The Section manages this risk through diversity in the investment portfolio and by obtaining professional investment advice. Taking into account past performance, future expectations, economic forecasts and experience of the financial markets, the possible impact on net operating result and equity over the next 12 months is as follows:

(e) Net Fair values

The net fair values of the Section's financial assets and financial liabilities are not expected to be significantly different from each class of asset and liability as disclosed above and recognised in the balance sheet as at 30 June 2021.

(f) Liquidity Risk

The Section manages liquidity risk by monitoring forecast cash flows and ensuring that adequate cash funds are maintained.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 22: FAIR VALUE MEASUREMENT

The following table contains the carrying amounts and related fair values for the entity's financial assets and liabilities:

	Total Carryin	g Value	Fair Value		
Economic Entity	2021	2020	2021	2020	
	\$	\$	\$	\$	
Financial Assets					
Cash and Bank Deposits	246,075	362,147	246,075	362,147

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 23: TRANSACTIONS WITH OTHER REPORTING UNITS

Terms and conditions of transactions with other reporting units

The CSIRO Staff Association is a section of the Community and Public Sector Union (CSPU).

Amounts were paid for and recovered from the CPSU - PSU Group on receipt of invoices during the year.

The CPSU - PSU Group processes and administers the payroll function for the CSIRO Staff Association. The CSIRO Staff Association reimburses the CPSU - PSU Group for the Section's employees payroll cost, including superannuation, payroll tax and workcover, on a monthly basis. The CSIRO Staff Association also pays the Section's share of costs and other reimbursements to the CPSU - PSU Group including the Melbourne office rent, interstate office rents, insurance, telephone, photocopier charges, travel expenses, affiliation fees and movement in LSL provision (refer Note 1(f)).

The CSIRO Staff Association pays management fees to the CSPU - PSU Group, calculated at 7% of Membership Subscription revenue.

The CSIRO Staff Association is registered for GST on a consolidated basis with the CPSU - PSU Group. The net GST on the Section's income and expenses is paid at the end of each month to the CPSU - PSU Group.

Sales to and purchases from other reporting units are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances for sales and purchases at the year end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any other reporting units receivables or payables. For the year ended 30 June 2021, the Section has not recorded any impairment of receivables relating to amounts owed by other reporting units (2020: \$Nil). This assessment is undertaken each financial year through examining the financial position of the other reporting units and the market in which the other reporting units operates.

NOTE 24: SUBSEQUENT EVENTS

No matters or circumstances have arisen since the end of the financial year which significantly affected or may affect the ongoing structure and financial activities of the Association

NOTE 25: COVID-19

As a result of the evolving nature of the COVID-19 outbreak and the rapidly evolving government policies of restrictive measures put in place to contain it, as at the date of these financial statements, the association is not in a position to reasonably estimate the financial effects of the COVID-19 outbreak on the future financial performance and financial position of the association. Other than the current disclosures, there has not been any other matter or circumstance occurring subsequent to the end of the financial year that has significantly affected, or may significantly affect, the operations of the association, the results of those operations, or the state of affairs of the association in subsequent financial periods.

OFFICER DECLARATION STATEMENT

I, Susan Tonks, being the Acting Secretary of the Committee of Management of the CSIRO Staff Association, declare that the following activities did not occur during the reporting period ending 30 June 2021.

The reporting unit did not:

- agree to receive financial support from another reporting unit to continue as a going concern (refers to agreement regarding financial support not dollar amount)
- · receive revenue from undertaking recovery of wages activity
- have another entity administer the financial affairs of the reporting unit
- make a payment to a former related party of the reporting unit.
- have a fund or account for compulsory levies, voluntary contributions or required by the rules of the organisation or branch
- transfer to or withdraw from a fund (other than the general fund), account, asset or controlled entity
- agree to provide financial support to another reporting unit to ensure they continue as a going concern (refers to agreement regarding financial support not dollar amount)
- acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure
 of the branches of an organisation, a determination or revocation by the General Manager, Fair Work
 Commission

Ms Susan Tonks

Acting Secretary, CSIRO Staff Association

8450 to

Dated this 5th day of November 2021.
