

bargaining blueprint for CSIRO

boost pay fix super raise rights + value staff

After more than a decade of cuts and neglect, it's time to repair CSIRO pay and working conditions.

Our comprehensive bargaining position - developed and endorsed by hundreds of union members and employees from CSIRO workplaces across the country - sets out a positive agenda to boost pay, fix super, raise rights and value staff.

- **Pay** - CSIRO staff deserve a significant pay boost to cope with cost of living pressures, attract and retain talent and start bridging the salary gap with other research salaries
- **Super** - Fix superannuation at CSIRO and provide equitable outcomes for all staff, regardless of fund
- **Rights** - Restore CSIRO workplace rights and conditions to the secure and legally protected enterprise agreement
- **Value** - Respect the CSIRO workforce by implementing meaningful and genuine pre-decision consultation

If you're not already a member, join the Staff Association today at www.csirostaff/join and help win a new enterprise agreement that's designed to advance the interests of CSIRO staff.
